

Weizmann Social Work Services

Dear Students,

The social services are available for all the student population in getting assistance for dealing with various high end challenges during your studies in the Weizmann institute.

We invite you:

Professional support / consultation and short term therapy.

Immediate addressing of student's distress.

In cases of personal difficulties.

Academic functional difficulties.

Family difficulties.

Health difficulties.

Psychosocial difficulties.

Please don't hesitate to reach out for assistance
